

## Making Parish Favorite

You can Favorite other parishes in MyParish app.

Tap on 3 bars in upper left corner,

Tap on Change Parish

Tap on the Parish you want

In below example: We chose Ss. Francis & Clare

You can tap on FAVORITE

It will add parish to your My Parishes List.

You can Tap on parish in your list to switch between your favorite parishes instead of having to search for it each time.

You can also Unfavorite a parish too.

Here is Good Shepherd in App with St. Robert added to Favorites list.

Here we looked up Ss. Francis & Clare Parish and added them to our Favorites list.
